### NB:

For insurance purposes, a Temporary Membership form will need to be filled in by the person planning to fly. The form contains a medical declaration that must be signed by all participants and a parental / legal guardian agreement for those under eighteen years of age. If there is any doubt that either of these sections can be signed, please contact the solo course secretary for advice. The applicant's doctor will be best placed to advise where a medical condition exists.

Vouchers are valid for 12 months from date of issue. Refunds are not available beyond the requirements of distance selling regulations.

It is the responsibility of the participant to organise a day for flying. This will be subject to weather and availability. Please contact the solo course secretary to book. You are advised that April to September tend to be the better months, but we do fly all year round.

The recommended donation is for winch launch only and does not include an option for aero tow. If such a facility becomes available on the day then you are welcome to pay for it at the prevailing rate. Please ask for further details.

Course secretary can be contacted on 07802 626095 or [trials@ubt.org.uk](mailto:trials@ubt.org.uk)
